SUPPLEMENT TO
REPORT NO. _____

Ten Soviet engineers are directing 800 Chinese in exploiting uranium mines 60 li southeast of Haich'eng (122-45, 40-51). The mines are completely isolated and under heavy Communist guard.

25X1A

Comment. According to information available to this office, these mines are old, established, and fairly well-known. They have amounted to very little and no other interest in them has been reported recently. The Japanese are said to have exploited these mines.
